

Unleashing Metropolitan Partnerships

TO CO-CREATE A RESILIENT, SUSTAINABLE AND PROSPEROUS EUROPE

A Manifesto for a Metropolitan Europe

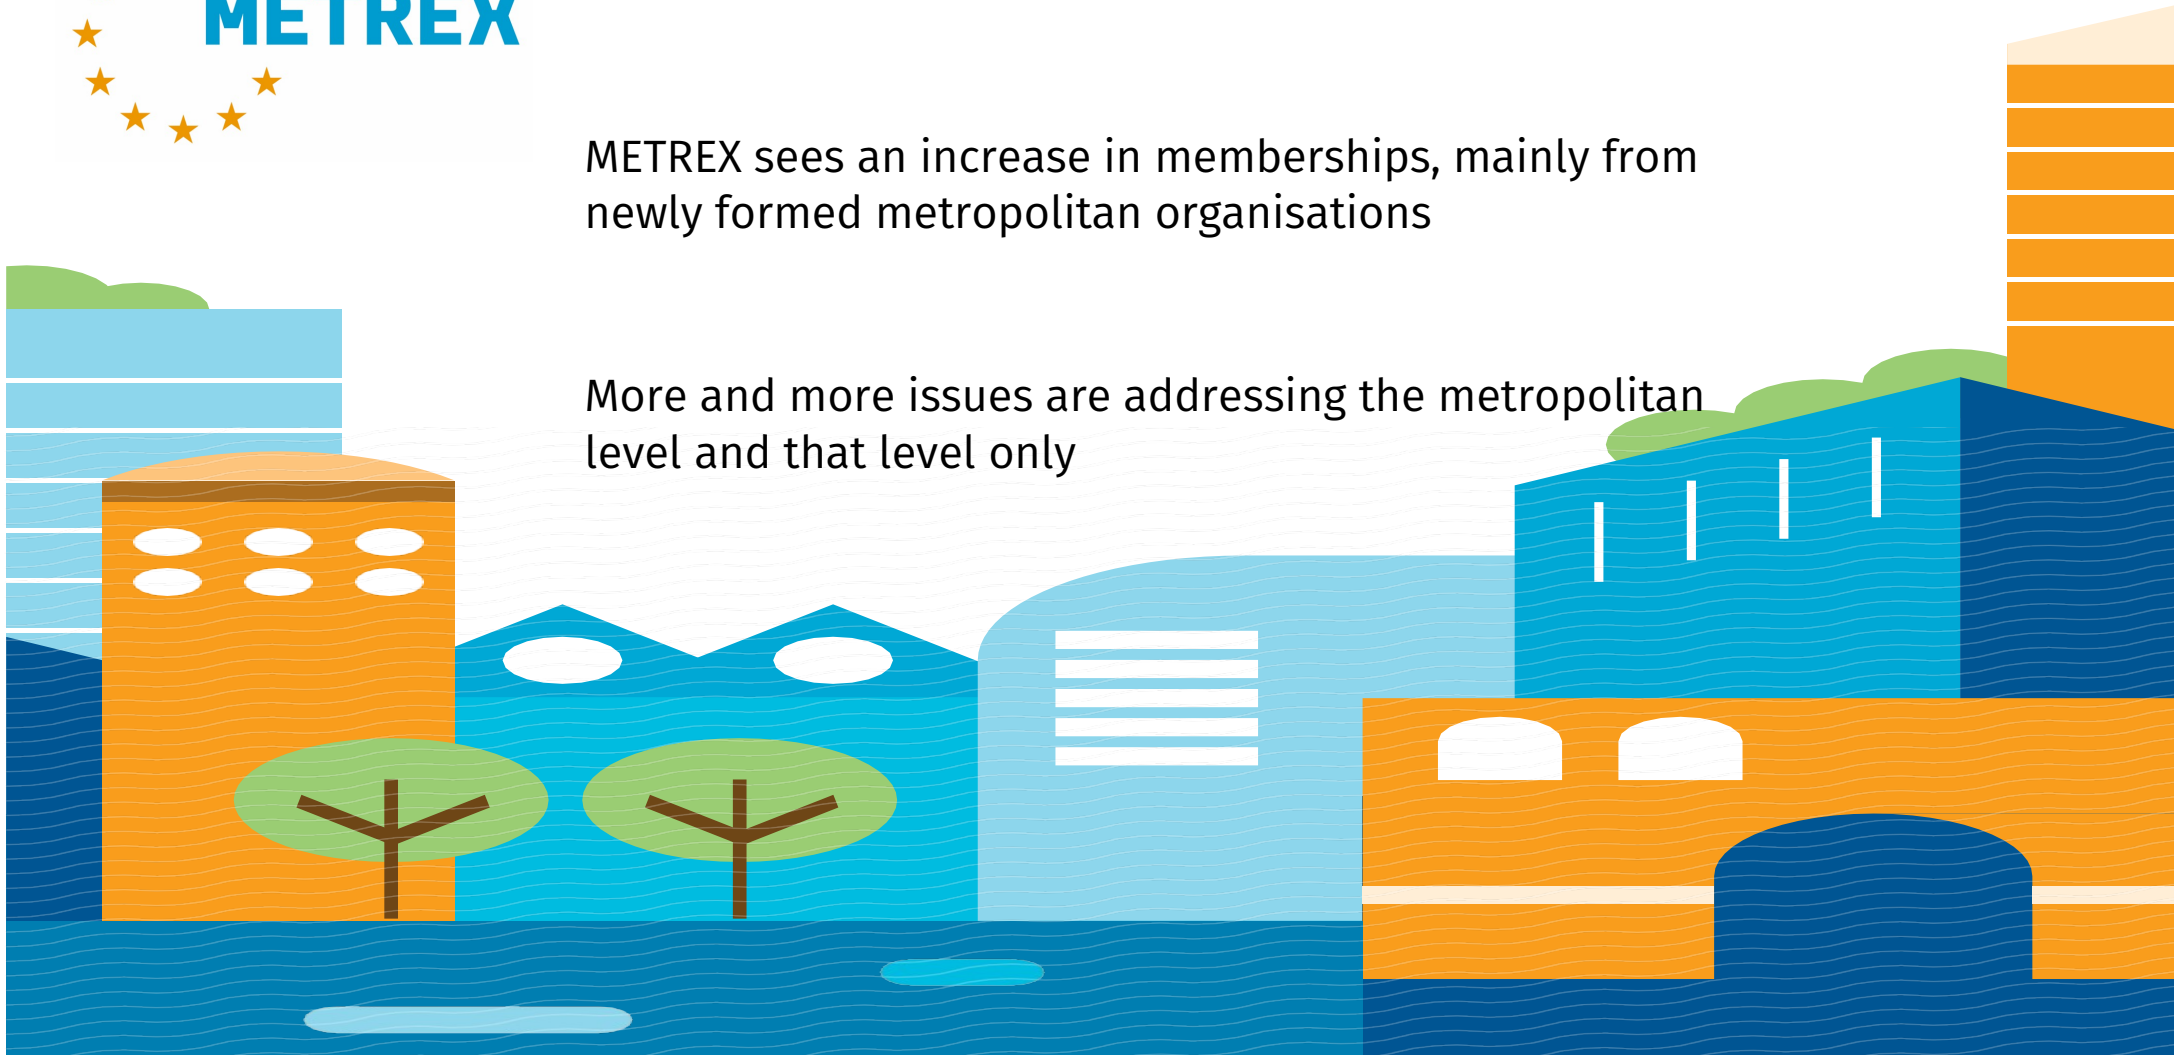

We see an ongoing Metropolisation in Europe

METREX sees an increase in memberships, mainly from newly formed metropolitan organisations

More and more issues are addressing the metropolitan level and that level only

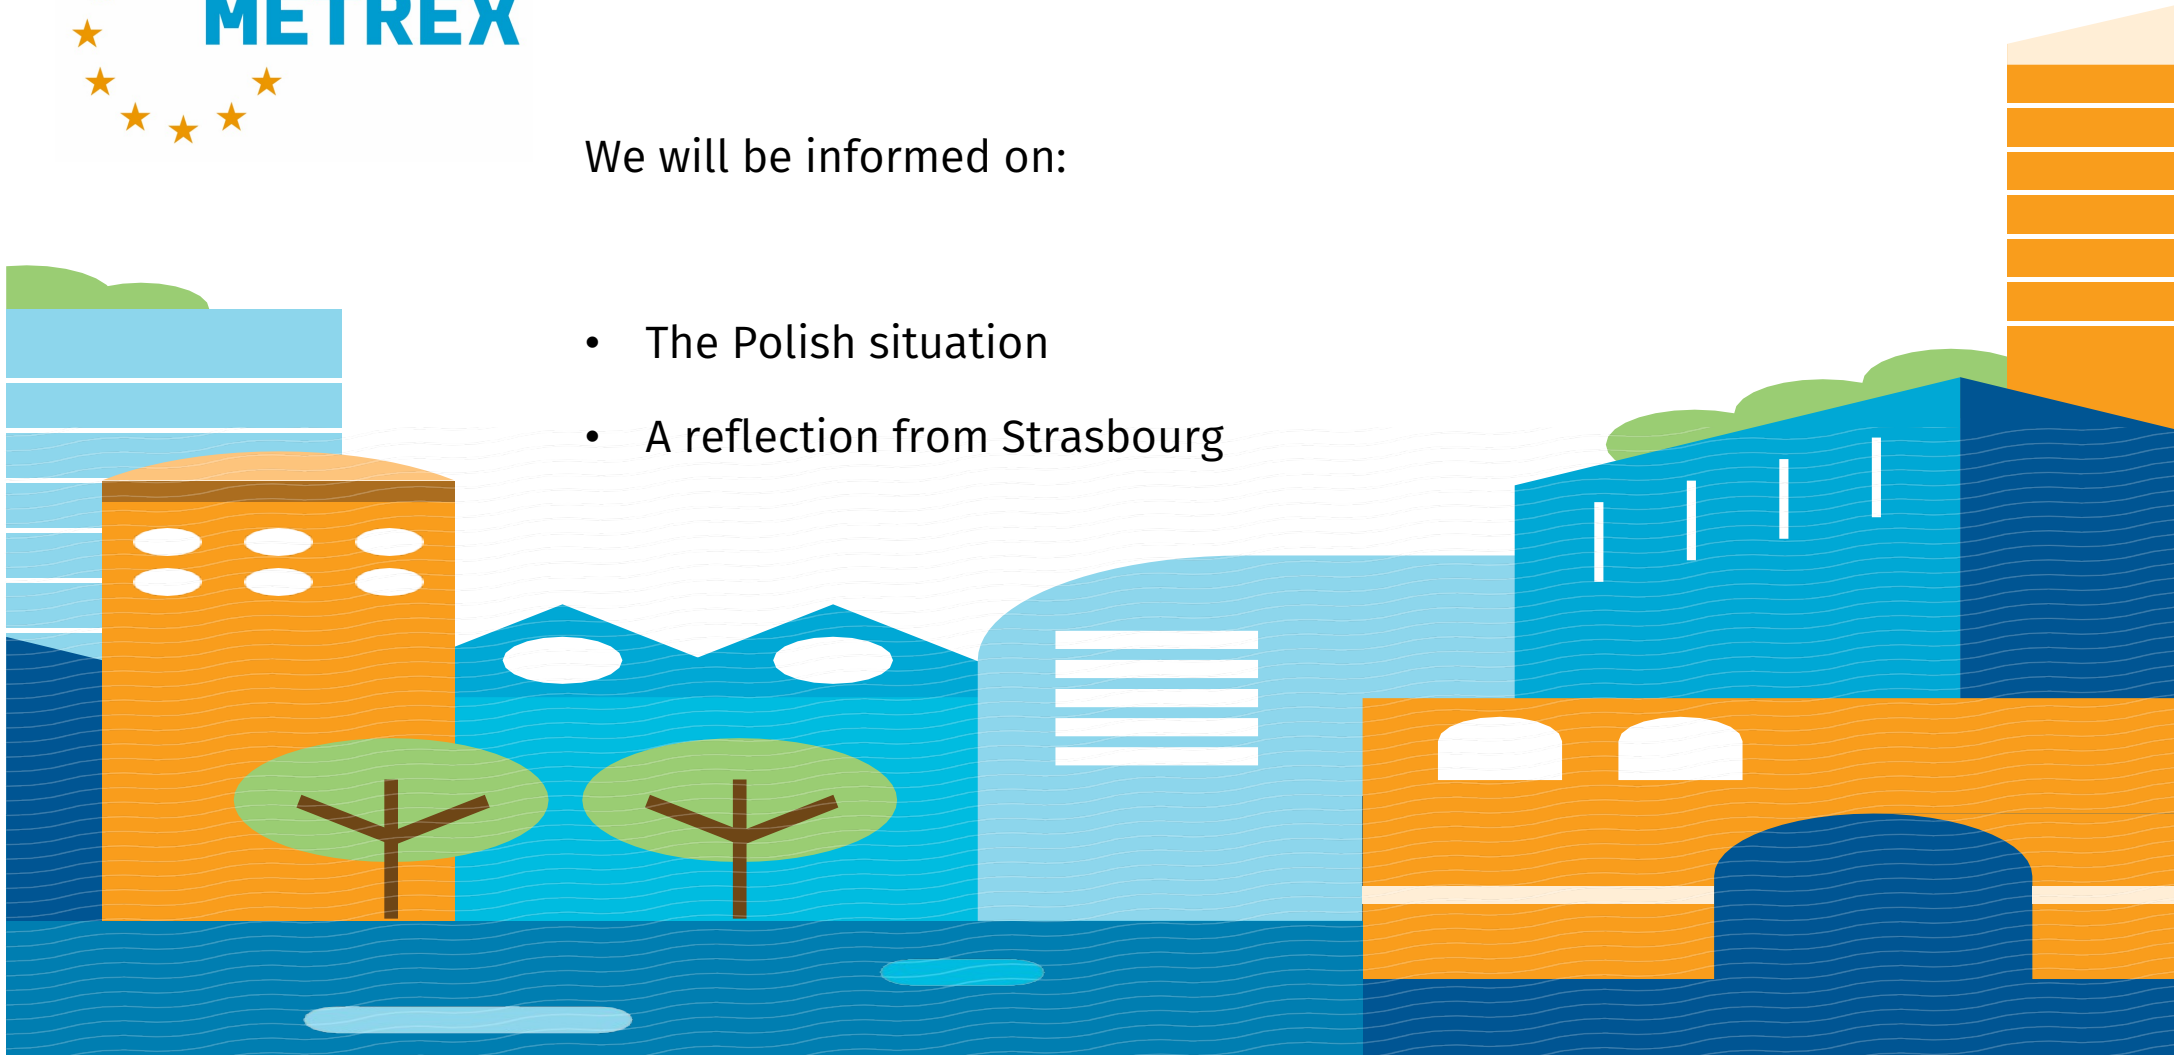

We see an ongoing Metropolisation in Europe

We will be informed on:

- The Polish situation
- A reflection from Strasbourg

We see an ongoing Metropolisation in Europe

We will present our initial answer tomorrow

Our METREX Metropolitan Manifesto

And hear reflections on that from experts from all over Europe
